# GREAT PLAINS FINANCIAL

A SOUTH DAKOTA CORPORATION

Dear Fellow Shareholders,

We are pleased to report several positive developments regarding your Company's continuing progress.

### **Great Plains Life Assurance Company**

Our "Certificate of Authority" to transact life insurance in South Dakota has been approved by the South Dakota Department of Insurance. As you recall, the Life Insurance Company is the major revenue generation component of our business plan. We offer sincere appreciation to the Department of Insurance for their timely and professional review with respect to our application. Marketing life insurance products will commence upon completion of the public stock offering.

### **\$7,500,000 Public Stock Offering**

Over \$5,000,000 in stock sales were generated as of November 30, 2008. Our goal is to complete the entire \$7,500,000 with a limited number of shareholders in each South Dakota county. Please review the map on the back page of this report and assist your company in selecting qualified shareholders in the few remaining counties. Call (605) 945-5165 with your recommendations in any of the open counties.

### **Safety of Investment Portfolio**

With vision and foresight, our Board of Directors adopted an extremely conservative investment strategy upon inception of your Company. Corporate assets remain secure in these uncertain economic conditions.

In summary, 2008 will go down in history as a tremendous growth year for Great Plains Financial Corporation. We'd like to extend best holiday wishes to all shareholders as we look forward with great anticipation and enthusiasm regarding the future successes of your Companies.

Sincerely,

Scott J. Engebritson
